

THE MARS LONG TERM CARE PLAN

The provider for the MARS ASSOCIATES discounted Long Term Care Plan is The Prudential Insurance Company of America.

Prudential is an excellent well known company which was established in 1875 and has superior ability to meet its obligations.

The **MARS** sponsored Prudential long term care plan will continue to have a 5% discount. There are two outstanding features included in the Prudential policies:

- The 40% Cash Alternative allows 40% of benefit for home care to be paid in cash
- Restoration of Benefits can restore your “pool of money” if you recover after receiving benefits

There will be more flexibility in benefit choices including:

- Personal choice of elimination period
- Length of time benefits are payable
- Inflation rider and other options
- Policies can be qualified for Long Term Care Partnership, a feature to protect your personal assets
